The sanction if accorded in  
the cases would lead to similar  
claims from other towns and it  
would be difficult to resist them  
Any grant we may propose  
should have relation to the  
amount we could afford to  
give to other towns annually,  
for such purposes

§) The annual grant for improvement to Towns and Municipalities was hitherto Rs 30,000 and in the next year's budget an enhanced provision of rupees 1,30,000 has been made. With a view to provide for this and <sup>other</sup> development works, we have had to draw a sum of Rs 8,00,000 from the Reserves <sup>to maintain budget equilibrium</sup>. The special non-recurring reserve will be exhausted by the end of next year. The normal revenues are inelastic and it cannot be stated with certainty whether it would be possible to continue the enhanced provision of Rs 1,30,000 now provided for Town Improvements in the coming years. Besides, we have to take into account the case of other towns which require financial assistance, e.g., Nanjangud, before a commitment can be made. On behalf of the <sup>Sanctioning</sup> Municipality, however, it has to be stated that unless an assurance of a grant-in-aid from Government for some years be given, a continuous programme of improvement would not perhaps be possible. In the circumstances, I would suggest that while the grant for next year may be fixed at Rs 15,000 and the subvention for the next two years may be at not less than 50 per cent of it viz., Rs 7,500. The Municipality should <sup>of course</sup> earmark for improvements the enhanced income from the formation of the extensions.

Sir,

OFFICE OF THE PRESIDENT DISTRICT BOARD,  
SHIMOGA DISTRICT

Shimoga, Dated the 21st May 1926.

A K. Syed Taj Peeran, Esq., B.A.,

By *Comptroller* President District Board,  
Shimoga District.

To

B Nagappa, Esq., Bar-at-Law,  
Secretary to the Government of Mysore,  
Local and Legislative Departments,  
BANGALORE.

*75*  
Sir,

*ml 37-25-21*

I have the honour to state that the sanitary condition of the Shimoga town is not very satisfactory even though the Municipal Council has been allotting sufficient funds for improvement of sanitation having regard to its financial position. The income of the Municipality is inelastic and therefore it is not possible to provide more funds for the purpose. In fact the present allotment is barely sufficient to meet the ordinary requirements. But as the town is ~~gaze~~ growing owing to the formation of extensions in all directions and having regard to the sufferings during the last floods, the formation of a Trust Board similar to the one existing in the Mysore City was considered very necessary at the District Conference held on 19th April 1926 as the only means for effecting some substantial improvement to the town. It was also further resolved that Government should be ~~move~~ make an annual grant of not less than Rs 15000/- to the Municipality which supplemented by its funds should be utilised by the Trust Board for the improvement of the town. A copy of the resolution passed

6  
passed on the subject is enclosed herein for information

2 Shimoga is the 3rd largest urban area in the State, leaving the cities of Bangalore and Mysore which are also being subsidised by Government generally. It is needless to detail the importance of the town being head quarter of the Malnad. Under these circumstances the request of the District Conference deserving of favourable consideration. I therefore request you will be so kind as to obtain orders of Government for the formation of a Trust Board for the town and sanctioning the annual grant of Rs 15000/- for improvement of sanitation.

I have the honour to be,

Sir,

Your most obedient servant,

*A. K. S. S. S. S.*  
Committee President,  
District Board, Shimoga  
R.S.

Proceedings of the Shimoga District Conference held on 19th April 1936 - 7

13 Formation of a Board of Trust for the improvement of the town of Shimoga (By the Vice President)

RESOLUTION - Having regard to the growth of Shimoga <sup>Town</sup> ~~Division~~ and sufferings of the people during the last floods, the Conference is of opinion that a Trust Board similar to the one existing in the Mysore City should be constituted for effecting improvement etc, to the town of Shimoga and Government be requested to sanction an annual grant of not less than Rs 15000/- out of State Funds to this purpose
